WHITE WINES

Mountain Ridge Sparkling (NV)	Citrus, stone fruit, creamy flavours created from a blend of Chenin Blanc, Pinot Noir and Chardonnay. Light and lively.
2021 Semillon	100% Shoalhaven Semillon. Following the 2020 bushfires, it's back. Clean light lemon colour, this vintage displays the green nose of gooseberry and roasted capsicum. Peppery with a long finish. This 2021 vintage is a collectible for Semillon fans.
2020 Picpoul Blanc	Vines imported from Languedoc Coast, grown at the Central Ranges NSW, notes of green melon & apple, closing with a gentle aftertaste. Remarkable with oysters.
2022 The Driveway	The Driveway was soaked this year; a humid wet summer made ripening difficult. We picked the best fruit and worked it hard to bring in a small volume of what you expect from this favourite. Golden in colour with tropical aromas of fresh pineapple, papaya, and a well-balanced citrus palate. A true all-rounder.
2022 Pinot Gris	Archetypical light grey colour of this cracking grape. Last year it had a coppery hue to it; probably diluted by rain during late stages of ripening this year. Ripe Nashi pears on the nose and that long lingering finish. A great vintage.
2022 Verdelho	Tropical, pineapple and passionfruit flavours. A beautiful Verdelho with its Portuguese/Madeiran heritage thriving at Mountain Ridge.
2021 Sauvignon Blanc Semillon	A crowd pleaser! Passionfruit, gooseberry, grass and lime flavours with a rich clean finish. SBS has become a classic Australian blend and this is a great example!
2021 Moscato	Mostly Gordo with some Frontignac grapes – blended to give lifted muscaty aromatics with hints of summer fruits. Fermentation halted to give perfect alcohol – sugar balance.

RED WINES

2021 Tempranillo Rosé	Made from the fruit of the Tempranillo vines that have been transplanted to Mountain Ridge. Bronzen rose colour with red berries on the nose. A lingering Summer wine reminiscent of raspberry trifle. A MR staple.
2021 Sparkling Chambourcin	Grapes ripened over a humid summer, perfect conditions for Chambourcin to thrive. Red and black berries with rhubarb and vanilla oak flavours.
2021 Nebbiolo Cabernet	Heavy rain leading up to harvest reduced yields of Nebbiolo; we are lucky to have some, and we treated it so. An historic blend from the Piedmont region in Italy. Will drink well now and will get better and better for 20+ years. Black cherry, raspberry, and soft spicy vanilla oak.
2021 Tempranillo	Our second vintage of this wine, we have complimented the blood plums, blackberry and strawberry with some light American oak. Onwards and upwards.
2020 Organic Shiraz	Displaying blackberry, mulberry, dark cherry and mocha spice in a soft and sure way. Made by Windowrie Wines in the Central Ranges and proudly presented as a staple part of the Mountain Ridge Wines line-up.
2019 Organic Cabernet Sauvignon	Dark berry fruits backed up with some spice on the palate. With Mint and Thyme aromas. Made by Windowrie Wines in the Central Ranges and proudly presented as a staple part of the Mountain Ridge Wines selection.
2021 Cabernet Merlot	A crowd pleaser – dark plum, cassis, vanilla pod and clove spice. Cab Merlot has become a classic Australian blend; this is a great example.

FORTIFIEDS & LIQUEURS

Macadamia Liqueur 375ml	A Mountain Ridge icon.
Strawberry Liqueur 375ml	Delightful wine-based liqueurs.
Watermelon Liqueur 375ml	Delightful wine-based liqueurs.
Bramble Liqueur 375ml	A red wine-based liqueur infused with blackberry.
Tawny Port 750ml	Ideally taken at breakfast, lunch and dinner. Maximum pleasure by drinking with hard cheeses, nuts & ripe figs. Note flavours of citrus rind, raisin, mocha, soft chocolate.

Cultivated with conscience. Crafted for pleasure.
